*\* In line with the Roadmaps for the OECD Accession Process adopted by the Council at Ministerial level on 10 June 2022, Brazil, Bulgaria, Croatia, Peru, and Romania are invited to participate, on the basis of their status as accession candidate countries, in the meetings of all OECD substantive committees and their subsidiary bodies open to participation by all OECD Members. Where they participate on the basis of their status of accession candidate countries, they will participate in all discussions except confidential sessions and have access to related documents but they will not take part in decision-making. Where they are Associates or Participants in an OECD body in line with the Revised Resolution of the Council on Partnerships in OECD Bodies, they will maintain their status and the corresponding rights and obligations throughout the accession process.*
